

WAIT & TRUST

11/23 and here is today's scripture:

I wait for the Lord to help me, and I trust his word. *Psalms 130:5*

If I could only reach the single mothers to hear my mistakes, and to know that I only had success when I put this verse to work in my life. When my husband of 14 years told me that he did not want his time and his money spent on a woman and two boys that he did not want in his life, I went into shock and isolated onto another planet. At first I searched for someone who wanted a family, would treasure a family and was led into many false agendas of others. Much harm came to me and my sons from imposters. The predators could see how compassionate and giving that I was. So the predators sucked the life out of me and my sons. Finally, I guess the Holy Spirit hit me on the head and I got the message. People of this world cannot understand nor care for you and your sons. Be still and allow your Heavenly Father to be the provider, and hold you and your sons in HIS arms and protect you under HIS wings. TAKE LIFE ON LIFE'S TERMS. Don't read into the flesh. All that your children need is God's love and your love and time. Material things can be lacking.

Isaiah 54:5

[King James Bible](#)

For thy Maker *is* thine husband; the LORD of hosts *is* his name; and thy Redeemer the Holy One of Israel; The God of the whole earth shall he be called.

[King James Bible](#) Psalm 68:5

A father of the fatherless, and a judge of the widows, *is* God in his holy habitation.

[Isaiah 54:13](#) - And all thy children [shall be] taught of the LORD; and great [shall be] the peace of thy children.

In your life somewhere, there is a single parent family. Take time this week to show love to that single parent family whether headed by a male or female. Don't let them be the forgotten people. Encourage the parent to wait on the Lord and trust in the Word of the Lord. Remember me and my sons. Now everything is good within the Lord for my family.

GOD'S BLESSING IN JESUS NAME: MAY THE ANGELS WALK BY YOUR SIDE AND THE LOVE AND PEACE OF GOD ABIDE WITHIN YOU.
